“Join the Band”

Wear a color coded wristband, please!

We've updated our Community Covenant to include a way for fellowship and interactions to occur in a safe, non-verbal, sensitive way. When joining us for worship on Sundays or for weekday events, please wear a wristband to signal to others:

- **Green Wristband** : indicates you are comfortable with handshakes and hugs. Masks are optional and you are fully vaccinated.
- **Yellow Wristband** : indicates you are being cautious and prefer to greet others with an elbow bump or fist bump. Masks are optional.
- **Red Wristband** : indicates you prefer to greet from six feet. We ask that those wearing a red wristband to also wear a face mask.

**Please keep your wristband and do NOT put back into the basket. If you need a new wristband or forgot your band at home, don't worry - we have plenty! Thank you for honoring this update to our community covenant as we lean into new practices and ways to be in community with one another. Questions? Contact the Rev. Matt Holcombe or the church office.*

Outreach

ECW Thrift House

The Episcopal Church Women (ECW) operate the Thrift House, a Christian non-profit organization selling donated merchandise. St. Michael's, Grace/St. Stephen's, and Chapel of Our Savior own and run the Thrift House with mostly volunteers and a small paid staff. Profits

are divided up between these churches and used for outreach. Closed for over 3 months during the pandemic, we re-opened to only 3 days a week due to the loss of most volunteers. Recently re-opening on Wednesdays, it will be very difficult filling St. Mike's obligations for the upcoming months.

Volunteers are needed from 10:00 AM - 1:00 PM or 1:00 - 4:00 PM on rotating days.

Volunteers will run the cash register (only if you feel comfortable in doing so), put out clothing or housewares, steam clothes, assist customers, and have fun! Getting to know the other volunteers and customers is great. We have many returning customers who love shopping with us.

Precautions taken include wiped down surfaces and a plexiglass at the counter. If fully vaccinated, masks are optional. For more information and to volunteer, please contact Kay C. Mast, 719-600-7911, kayc.mast@yahoo.com. Other Board members from St. Michael's are Charlotte Mapes, Eloise McDaniel, and Nancy Oswell.

Family Promise/IHN Update September 12 "Host Week"

St. Michael's has partnered with the Interfaith Hospitality Network (IHN) ministry for 17 years, sheltering up to four homeless families twice a year for a week at a time. While hosting, our parishioners along with those from St. Francis Catholic Church, have graciously volunteered their time and talent to provide food, fellowship, and a warm and safe place for the families to sleep while they worked to get back on their feet.

When the pandemic hit, IHN (through Family Promise) suspended in-church hostings. Family Promise staff vacated and re-purposed their offices in the Day House to create bedrooms for the homeless families and Network churches have been providing supplies and dinners for the families instead of hosting them at their churches.

St. Michael's next scheduled (non-in-church) IHN hosting week starts September 12, 2021.

In August we'll request volunteers to supply dinners for IHN families sheltered at the Day House. Please put the dates on your calendar and consider volunteering with us! For questions or to volunteer, contact Justin Morrill (719-590-1615 or justin_morrill@msn.com).

"The generosity of St. Michael's parishioners allowed our Outreach Committee to award a \$2,300 Spring 2021 emergency grant to provide door locks for the newly opened Family Promise emergency shelter."

Laundry Love

New Ministry Begins July 12

One of the most significant “pain points” in Colorado Springs for those who live in poverty is access to clean(ing) clothes. This summer St. Michael’s is doing something to help our neighbors in need and getting more proximate. On July 12 we have volunteers who will be participating in a coast-to-coast ministry called Laundry Love. This ministry will allow parishioners of St. Michael’s to provide hospitality and coins & detergent to our neighbors in need. If you are interested in helping out with future Laundry Love events please contact Deacon Gary at gary@stmikeschurch.com.

We need quarters! Check under your couch cushions and donate quarters to help us feed the washers and dryers when we participate in Laundry Love. Bring your quarters to church on Sunday or drop them off at the church office Monday - Thursday 9:00 AM - 3:00 PM.

Did you know it costs an average of \$6.20 to wash and dry one load of laundry at a laundromat?

Property Updates & Upgrades

“Equipping our building for ministry ...”

Earlier this year Matt and the vestry laid out several ambitious goals. One of these goals focused on how we can equip our building for ministry and maximize the way we use our space. With the help of staff and volunteers we tackled an ambitious *Spring Cleaning* project that filled two 40 yard dumpsters with broken furniture, damaged toys, and countless treasures that have been collecting dust for decades. With our rooms and spaces clear of clutter new ideas, hopes, and dreams began to emerge. One of the first projects tackled by our Spiritual Directors was clearing out the unused library to create a new Prayer Room that doubles as a meeting space, sacred space, and spiritual direction room.

In the recent weeks we've had parishioners patch holes, paint walls, and repurpose old furniture. We've moved St. Bede's bookstore to the hallway going into the church offices. And in the coming weeks we will have the carpets steam cleaned in the entire building, add new TV monitors to several areas, decorate class rooms, furnish the nursery with new toys, add outdoor furniture to the plaza, and continue to reimagine ways to better use our space to serve you and our community.

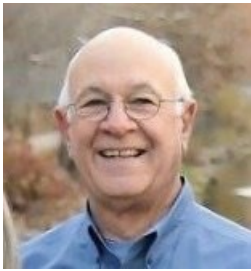

If you are wondering *why* and *how* all this work is getting done, the short answer is “you” and “you.” Your generosity through pledged giving and one-time donations has allowed us to fund this work while leveraging volunteers to do as much as possible. As we prepare to return inside in September, we are looking forward to using more of our building and in new ways!

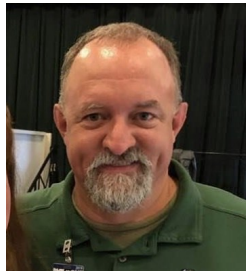

Staff & Vestry Updates

New Junior Warden, Treasurers, & Vestry Member

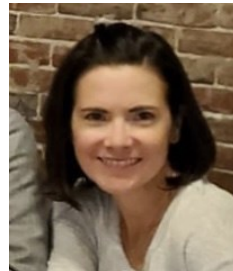

Earlier this year Tom and Nita Baranowski shared the exciting news they are moving to Texas. While we are a community that is used to parishioners moving—the announcement from the Baranowski's came with joyful anticipation for them and sadness for our community. In January 2021 Tom was re-elected as our Junior Warden and Nita has been our parish Treasurer since January 2020. With the Baranowski's summer move on schedule, we are extremely grateful for Jim Marquart who will be completing Tom's term as Junior Warden. The vacancy on the Vestry will be filled by Bob Wettemann and we are looking forward to his leadership on the Vestry as he completes Jim's vestry term. We are also excited to welcome Jan McLaughlin and Ann-Noel Spencer as our new co-Treasurers.

Finances & Legacy Giving

Supporting your Spiritual Home

Did you know that your financial contributions directly impact how we make Christ known within and beyond our walls? Each year St. Michael's relies solely on your financial contribution to keep the lights on and carry out the mission and ministries that help us grow spiritually. If you made a 2021 pledge, thank you for honoring your commitment. If you did not make a 2021 pledge and would like to, you may do so by visiting www.stmikeschurch.com/giving. Each quarter St. Michael's mails you a copy of your giving statement. If you have any questions about your contributions you may email treasurer@stmikeschurch.com or call the church office 719-598-3244. **Don't forget to use the memo line on each check** to let us know how to classify your contribution (ie. Pledge, Flower Donation, One-time gift, etc.).

New Database

In May we switched to a new church database to better support you and keep our community connected. In the coming months you will hear more about "Breeze" which is our new software. Online access to the directory and viewing contributions is coming soon!!!

The logo for "breeze" is written in a lowercase, blue, sans-serif font. The letter 'b' is stylized with a rounded bottom and a vertical stem.

St. Michael's Legacy

Making Christ known is what started St. Michael's in 1957 and why we continue to thrive today. In more recent years we have come to better understand the responsibility of ensuring St. Michael's lives and loves for generations to come. Thus, "St. Michael's Legacy" was created. St. Michael's Legacy honors those who choose to make St. Michael's part of their legacy by including St. Michael's in their will or estate planning. Planned giving, as it is often called, helps to ensure that our mission - to make Christ known within and beyond our walls - continues. Planned giving is separate from the annual stewardship campaign, which funds the yearly operating expenses of our parish.

The Endowment is managed by a Vestry-appointed Endowment Committee. Current members include Steve Caruthers (Chair), Nancy Jones, Scott Callihan, Bob Kean, and Linda Dameron; Amy de Lourenco is the Vestry Liaison. A special thank you go our outgoing chair Jim Moore and his years of encouragement and leadership with our Endowment. As of the end of the first quarter (March 31, 2021) the balance in our Endowment Fund was \$245,106. *All funds are invested in the Vanguard STAR Fund, a "fund of funds" comprising selections from Vanguard's menu of low-expense mutual funds.*

Are you a St. Michael's Legacy Members? Have you already included St. Michael's in your will or estate planning? Let us know by going to www.stmikeschurch.com/legacy or contacting Steve Caruthers at caruthers0706@gmail.com to be invited to a special event at The Rev. Matt Holcombe's home this summer.

Music

Music Notes

By Amalia Dobbins, Director of Music

As hope grows daily that we will soon emerge from this pandemic I reflect on the past 18 months and count my blessings. After all, I would not have made my way to St. Michael's had it not been for COVID. We all found ourselves at one point or another in the midst of uncertainty that was beyond our control. Making space for that experience and "letting God" was one of the most difficult and valuable lessons I have ever learned. Surfacing from the pandemic I find myself with a new job, new colleagues and a new church home. I am so grateful to the community at St. Michael's for welcoming me into the family. We have an exciting musical year planned! Here are some summer highlights:

- **Summer Choir** is singing on the first Sundays of the months June, July, August, and September. This opportunity is open to anyone who wants to sing. Rehearsals happen right before the service and everything is sung in unison, so it is a fun and easy way to participate in Sunday worship.
- **Concerts on the Lawn** will be happening on two Thursday evenings during the summer, July 22 and August 19 at 6:00 PM. These will be great times of fellowship, so pack a picnic dinner and bring your family and friends!
- **Guest Soloists** will be making appearances throughout the summer, so keep your ears open for some old favorites as well as fresh new tunes.

Have questions about the music program, want to share ideas or stories? Meet me and other staff & clergy on Tuesdays at noon for "Picnic in the Pavilion" and we can have lunch together. You can get in touch with Amalia at 719-598-3244 ext. 115 or amalia@stmikeschurch.com.

Organ Update

Did you know St. Michael's organ uses a computer to make music? Each time a key is pressed on the organ console a electric signal enters a relay system that sends another signal to one of our 3,000 pipes. Over the past year it has become clear that our current computer (running Windows 98) and the relay system needs to be upgraded. Over the past six months our Organ Committee has been working with various vendors to receive quotes to perform the work necessary. The initial quotes indicate we will need to make a substantial (five-figure) investment to ensure our beautiful organ will continue to enhance our worship experiences at St. Michael's. As we learn more about this project we will update the parish. Have questions? Contact Matt or Amalia.

Thank you Joe !

Congratulation Joe & Thank you!

After more than 15 years of faithful service at St. Michael's, we had a wonderful send off celebration for Joe Hattick's retirement. Joe joined the staff under Fr. Paul's leadership and provided a safe and loving environment for countless youth and children at St. Michael's. In recent years Joe expanded his role as the director of Formation and was integral in launching and supporting our thriving Celtic Spiritual Groups. There wasn't much Joe didn't do at St. Michael's and we will miss him dearly. We are so thankful for all his contributions at St. Michael's and we look forward to having Joe and Mary rejoin us in the coming months after a much needed sabbath.
