

Lent 2024 at St. Michael's

Early Christians observed "a season of penitence and fasting" in preparation for Easter. Over time, this season became known as Lent which begins on Ash Wednesday and lasts for 40 days (recalling Jesus' fasting during his temptation in the wilderness, Matthew 4:1-11). Traditionally, Lent invites Christians to refrain from something and make more room for God in their lives. This year during the season of Lent, we have multiple opportunities for you to explore, grow, and deepen your faith. Participate where and when you can!
